

Statement of Authorship and Contribution

Chinese Medical Sciences Journal

Manuscript No.: _____

Title: _____

Chinese Medical Sciences Journal is compliant with the definition of authorship by International Committee of Medical Journal Editors (ICMJE). An author of an article should meet the following four criteria: 1) Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; 2) Drafting the work or revising it critically for important intellectual content; 3) Final approval of the version to be published; 4) Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Please refer to the definition of authorship and confirm all the authors list in the manuscript are qualified, and provide the contribution of each author to the study:

Authors' Name	Contribution in this study
_____	_____
